7 EDAG ENGINEERING GMBH,
8 Plaintiff,
9 v.
10 BYTON NORTH AMERICA
11 CORPORATION,
12 Defendant.

Case No. 21-cv-04736-EMC (TSH)

DISCOVERY ORDER

Re: Dkt. Nos. 90, 107

13 The Court grants BYTON's ex parte application (ECF No. 107) and strikes EDAG's
14 motion to compel (ECF No. 90) for failure to comply with Judge Chen's Civil Standing Order on
15 Discovery, which disallows discovery motions without prior leave of court. EDAG's motion also
16 violates Civil Local Rule 7-8(a) because it combined a motion to compel with a motion for
17 sanctions. The Court orders the parties to meet and confer concerning the subpoenas at issue and
18 to file a joint discovery letter brief by February 2, 2022. Now that discovery has been referred to
19 the undersigned (*see* ECF No. 112), the letter brief should conform to the instructions in the
20 undersigned's Discovery Standing Order.

21 **IT IS SO ORDERED.**
